

To whom it may concern,

On behalf of the Shenshan Special Cooperation Zone Administration, I am writing to express our keen interest in visiting your esteemed company to explore potential business opportunities. As you are a leader in the automotive industry, we believe that your expertise and global footprint could significantly contribute to the development of our region.

Our government is particularly interested in understanding your global and Chinese market strategies, as well as your future plans for expanding production capacity. With this in mind, we would greatly appreciate the opportunity to visit your main production facilities and engage in meaningful discussions that could potentially lead to our zone being a preferred destination for your new production investments.

This visit would provide us with valuable insights into your operations and help us tailor our policies and incentives to better meet your needs. Additionally, it would serve as a platform to strengthen our relationship and foster mutual understanding, leading to potential business collaborations in the future.

We are confident that our region's strategic location, robust infrastructure,

and favorable business environment could be highly beneficial to your company. We are eager to discuss how we can work together to achieve mutual growth and prosperity.

We would be grateful if you could confirm the possibility of arranging a visit at your earliest convenience. We are prepared to provide all necessary details and ensure that our delegation's visit is as smooth and productive as possible.

Thank you for considering our request, and we look forward to the prospect of a successful and beneficial partnership.

Sincerely,
